The expression Matriculation Certificate in this part of the instruction must be understood as including these alternative certificates.

Candidates will thus understand that the Matriculation Certificate is required in all cases as evidence of age, and it must invariably be sent to the Commission, in original, with a copy thereof, together with the application.

Sometimes the Matriculation or equivalent Certificate does not show the date of birth, or only shows the age by completed years or completed years and months. In such cases, a candidate must send, in addition to the Matriculation or equivalent certificate, an original certificate, together with a copy thereof, from

the Headmaster/Principal of the institution from where he passed the Matriculation or equivalent examination, showing the date of his birth or his exact age as recorded in the Admission Register of the Institution.

Candidates are warned that unless complete proof of age as laid down in these instructions is sent with an application, the application may be rejected. (iii) *Certificate of Character*.—A candidate must submit a certificate of character, with a copy thereof, from some person in authority (for example, Principal, Proctor, Dean, etc.) at an educational institution which he is attending or has attended for at least one year during the three years immediately preceding the date of his application.

NOTE 2.—Only one certificate of character is required.

(iv) *Certificate of Educational Qualification*.—A candidate must submit a certificate or diploma, in original, with a copy thereof, showing that he has one of the qualifications prescribed in Rule 6. The certificate submitted must be one issued by the authority (i.e. University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted the candidate must explain its absence, and submit such other evidence in original as he can to support his claim to the requisite qualification. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

NOTE.—Candidates who have appeared at an examination the passing of which would render them eligible to appear at this examination but have not been informed of the result may apply for admission to this examination. Candidates who intend to appear at such a qualifying examination may also apply provided the qualifying examination is completed before the commencement of this examination. Such candidates will be admitted to the examination, if otherwise eligible, but the admission would be deemed to be provisional and subject to cancellation if they do not produce proof of having passed the examination, as soon as possible and in any case not later than two months after the commencement of this examination.

Each copy of the photograph should be signed in ink on the front by the candidate.

N.B.—Candidates are warned that if an application is incompletely or wrongly filled or is not accompanied by any one of the documents mentioned under 4(ii), 4(iii), 4(iv) and 4(v) above without a reasonable explanation for its absence having been given, the application is liable to be rejected and no appeal against its rejection will be entertained. Any documents not submitted with the application but explanation for the absence of which has been given, should be sent soon after the submission of the application, and in any case they must reach the Commission's office [except as provided for in Note under paragraph 4(iv) above] within one month after the last date for receipt of applications. Otherwise the application is liable to be rejected.
